# 4-Rivers Cub Scout Day Camp 2012

## "Cubs Under the Big Top"

Dear Cub Scout Day Camp Family,

Thank you for registering for this year's Cub Scout Day Camp session. This letter is to remind Day Camp families of some important information and dates regarding day camp.

**Kids Korner:** The Camp "Kids Korner" provides a Day Camp experience for young children of Staff members, Den Leaders and parent volunteers. Activities are already being planned for these children. In order for a child to attend the Kids Korner, a parent **MUST** be in Camp while they attend. (No exceptions. We do not provide day care for Scout siblings.) In addition, each attendee must be toilet trained.

**Girls Camp Experience:** This year we are again pleased to offer an opportunity for older girls to participate more fully in our Camp activities, in our Girls Camp Experience program. Girls may travel to the scout stations, just as their Cub Scout brothers do. In order for a girl to participate, a parent **MUST** be in Camp while they attend. (No exceptions. We do not provide day care for Scout siblings.) Girls must be at least 7 years of age. (Younger siblings will be assigned to the "Kids Korner" referenced above).

**Tiger Program:** Our Camp has developed an exciting program for incoming Tiger Cubs in order to introduce them to the fun of both Cub Scout Day Camp and Scouting. Tigers are invited to attend two day's of program of Camp activities on Thursday and Friday. Please note that the Tiger program includes an adult partner and any incoming Tiger who registers for Camp needs to have an adult partner accompany them for each day. (Adults are required to be at least 21 years of age.) Incoming Tigers must also complete a BSA Cub Scout registration form. Contact your local Pack or call Baltimore Area Council Headquarters (443) 573-2537.

Please be aware that any applications received to the registrar that are incomplete will not be processed. It is very hard to "chase down" missing information, so we have come to the agreement to enforce this rule. Each attendee is required to have the correct application, health form (**2 pages**, with picture attached), transportation form, and parent/guardian signatures on each form. Den Leaders and Staff do not need a transportation form, but please remember to submit your required up-to-date Youth Protection certification (Youth Protection Training is available online at [www.baltimorebsa.org](http://www.baltimorebsa.org)).

Please remember that each Cub Scout is required to have an adult come to camp for the "one day required requested day." One-day parents are who we depend on to help fulfill the 2-deep leadership for the den every day of the week. The person who comes as a one-day does not have to be the parent/guardian. We routinely have grandparents, older siblings, cousins, babysitters, etc. As long as they are over 18, approved by the parent/guardian and can walk around in the sun, they are OK. One-day parents are required to bring lunch on the day they attend camp.

All families attending camp are required to attend one of the Orientation Dates the weekend before camp. You need only attend one of these days. This allows families to see the facility, go over the rules and regulations regarding camp, and pick up their camp t-shirts and den assignments.

Refund requests will be at the discretion of the Camp Director & District Executive. A fee of \$25.00 will be assessed per applicant for switching day camp sessions.

I look forward to meeting you, and I can't wait for camp to start!! ☺ If you have any questions or concerns, please do not hesitate to contact me. Please check the day camp website routinely for updates.

Yours in Scouting,

Jennifer Martin  
Day Camp Director
