- Any **special medications** should be delivered to the Medical Staff upon arrival each morning in a zip-loc bag with the child’s name clearly written on it and a prescription provided, and then picked up each afternoon.
- **Insect repellent and sunscreen** should be applied at home. This is a precaution against allergic reactions. If they wish to bring some to camp, it must be brought to the Medical Staff each morning in a zip-loc bag with the child’s name clearly written on it, applied at the Medical Area, and picked up each afternoon.

- No Camper will be released to any person who is not listed on the Camper’s transportation form. Each Den Leader will have a copy of their den’s forms. Copies will also be held at Admin for early release of Campers.
- Den Leaders will report any Scouts who did not arrive at Camp by the 2nd rotation Leaders meeting. The Camp Director will follow up with a phone call to the parent confirming the Scout’s absence.
